IMPORTANT GOVERNMENT ORDERS

DEVELOPMENT SECRETARIAT

Conversion of the Government Lac and Paint Works, Mysore, into a Joint-stock Company under the name of "The Mysore Lac and Paint Works, Ltd."

READ—

Correspondence ending with letter No. B. 317, dated the 28rd September 1946, from the Director of Engineering and Chemical Industries, in the matter of the conversion of the Government Lac and Paint Works, Mysore, into a Joint-stock Company.

ORDER NO. D. 5506-11—I. & C. 52-45-11, DATED BANGALORE, THE 5TH MARCH 1947.

The Government Lac and Paint Works, Mysore, is a small concern with a fixed capital of Rs. 44,000 and a working capital of Rs. 1,10,000. The question of transferring it to a public Joint-stock Company has been under the consideration of Government for some time past.

2. The Board of Management for Industrial Concerns resolved at their meeting held on the 28th June 1945, that the above concern may be transferred to a Joint-stock Company floated for the purpose with a capital of Rs. 10,00,000.

3. The Policy Committee for Industries and Commerce of the Economic Conference, which was consulted in the matter, also decided by a majority that the concern may be handed over to a Joint-stock Company.

4. The question was considered by Government in the light of the recommendations both of the Board of Management for Industrial Concerns and the Policy Committee for Industries and Commerce, and Government felt that they should not encumber themselves with the running or management of too many miscellaneous industries, but that they should take a very large interest in the starting and management of basic or key industries.

5. The Board of Management for Industrial Concerns were thereupon requested to take immediate further action to work out the further details of the scheme and submit them to Government. The Board accordingly forwarded proposals for the conversion of the concern into a joint company suggesting a panel of names for the provisional Board of Directors.

6. After examining the *pros* and *cons* of the matter, Government are pleased to direct that the Government Lac and Paint Works, Mysore, be converted into a Joint-stock Company with the title of "The Mysore Lac and Paint Works, Ltd." Government will take 30 per cent of the shares of the company on the following conditions :—

(1) Three of the Directors of the Company shall be nominated by Government, one of the Directors so nominated being the Chairman and Managing Director.

(2) The appointment of the Secretary and the General Manager must be made with the previous approval of Government.

(3) Government reserve the right, if they so desire, to have the accounts of the company inspected or audited by their own officers at their own cost.

7. The provisional Board of Directors will be composed of the following members :—

1. *Mushir-ul-Mulk* J. Mohamed Imam (Government Director and Chairman).
2. Mr. M. Ramaiah.
3. Mr. T. Chandranna.
4. Mr. Chennagiri Rangappa.
5. Mr. B. Rudra.
6. Mr. B. G. A. Mudaliar, Director of Industries and Commerce (Government Director).

8. The third Government Director will be nominated later on.

9. The Chairman is requested to take further necessary action in consultation with Government whenever necessary to float the company. He is requested to forward for the approval of Government the name of a person to be appointed as Secretary. To meet the preliminary expenses, a sum of Rs. 10,000 will be advanced out of the funds of the Government Lac and Paint Works in the first instance, the amount being adjusted towards Government share of the capital when the company is floated.

10. The Comptroller to Government has been requested to have the accounts of the concern audited up to the end of January 1947 and the balance sheet struck so that the valuation of assets and the goodwill may be arrived at.

11. The Registrar of Joint-stock Companies is requested to give all necessary assistance to the Chairman in the flotation of the Company.
